"We will attempt to serve all your food together, but all our dishes have different cooking times and should be enjoyed immediately to ensure freshness and quality. So your order will be served when it is ready. This is how Italians eat and when you are in the Italian Club, you are in Italy!!!!

PLEASE ASK YOUR SERVER FOR OUR DAILY SPECIALS

The ethos of The Italian Club is to provide a place to enjoy for Italians, people of Italian descent and anyone that loves Italian food.

Since our opening in 2007, our family owned and independently run 'Trattoria' has built up a reputation for delivering authentic Italian food, with friendly and helpful service, in truly 'Italian' surroundings.

The 'A La Carte' menu offers an extensive choice of dishes, which are well complimented with a choice of daily 'specials', which reflect local and seasonal availability. All our dishes are home made and, as such, may sometimes take a little longer to prepare... but the wait will be worth it!

Everything is available to 'take away' and we also offer a select choice of traditional dishes for more ambitious home catering, such as dinner parties or celebrations!

Here at The Italian Club we have two wonderful chefs that lead our kitchen brigade. Maurizio Pellegrini, Executive Chef proprietor from Puglia and our Sicilian Head Chef, Martino Cusumano. Both are passionate and committed to bringing you food with great taste and authentic ingredients.

We thank you for reading this, for dining with us, and we do hope you enjoy!
